The Honorable Rosa DeLauro
Chairman
House Appropriations Committee
Washington, D.C. 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$5,000,000 as a Highway Infrastructure Project for the Pedestrian Safety Improvement Project in Weehawken, NJ. The intended recipient is the Township of Weehawken, New Jersey located at 400 Park Ave, Weehawken, NJ 07086.

This project is a valuable use of taxpayer funds because it will improve pedestrian and vehicle safety with updates to outdated traffic lights and unsafe sidewalks on a stretch of roadway from Park Avenue and 51st Street to Hackensack Plank Road and 19th Street. These sidewalks and traffic lights do not meet current State & Federal Americans with disabilities guidelines and signalized roadway crossing standards and put pedestrians at increased risk of danger and injury. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Albio Sires
Member of Congress
